

15+ ACRE SITES REQUIRED

Can you help Red & Yellow Care achieve their vision for delivering an intergrated dementia care campus?

We need sites within the Home Counties, South East England & M4 corridor near or within an existing community with the potential for C2 planning use.

Employment creation

Specialist care

Complementary community facilities

Education and research facilities

Addresses health, social and housing needs

Aspirational design in architecture and landscape

Willing to be part of a larger masterplan site or where their planning use can unlock value

Please call Adam Dalgleish on 07976 753 168 or email him at ad@medicalpropertyadvisers.com, or call Peter Hadley on 07950 046 951 or email him at ph@medicalpropertyadvisers.com
